Dear Miss Becker Gomes:

It is a pleasure to accept your manuscript entitled "Machine learning algorithms to predict crops prone to weed emergence in integrated crop-livestock systems", for publication in the Pesquisa Agropecuária Brasileira (PAB).

The accepted article will undergo an extensive review of grammar, references, and content by the reviewers and editors of PAB, followed by its formatting. Afterwards, the formatted article will be sent for proof reading to the corresponding author. If more information is required during this period, we will contact the corresponding author via e-mail.

Thank you for your fine contribution. On behalf of the Editors of the Pesquisa Agropecuária Brasileira, we look forward to your continued contributions to the Journal.

Sincerely,

Dr. Daniel Kinpara  
Co-editor, Pesquisa Agropecuária Brasileira
